TIMSS 2019 Assessment Frameworks
APPENDIX A

Acknowledgments
APPENDIX A

Acknowledgments

TIMSS is a major undertaking of IEA, and together with PIRLS, comprises the core of IEA’s regular cycle of studies. Responsibility for the overall direction and management of these two projects resides at the TIMSS & PIRLS International Study at Boston College. Headed by Michael O. Martin and Ina V.S. Mullis, the study center is located in the Lynch School of Education. In carrying out these two ambitious international studies, the TIMSS & PIRLS International Study Center works closely with IEA Amsterdam which manages country participation in a number of IEA international studies, IEA Hamburg which is a data processing and research center, Statistics Canada in Ottawa, and Educational Testing Service in Princeton, New Jersey. Especially important is close coordination with the National Research Coordinators designated by the participating countries to be responsible for the complex tasks involved in implementing the studies in their countries. In summary, it takes extreme dedication on the part of many individuals around the world to make TIMSS a success and the work of these individuals across all of the various activities involved is greatly appreciated.

With each new assessment cycle of a study, one of the most important tasks is to update the assessment frameworks. Updating the TIMSS assessment frameworks for 2019 began in September of 2016, and has involved extensive input and reviews by individuals at the TIMSS & PIRLS International Study Center, IEA, the TIMSS 2019 National Research Coordinators, and the two TIMSS expert committees—the TIMSS 2019 Science and Mathematics Item Review Committee and the TIMSS 2019 Questionnaire Item Review Committee. Of all the individuals around the world that it takes to make TIMSS a success, the intention here is to specifically acknowledge some of the many persons who had particular responsibility and involvement in developing and producing the TIMSS 2019 Assessment Frameworks.

TIMSS 2019 Framework Development at the TIMSS & PIRLS International Study Center at Boston College

Ina V.S. Mullis, Executive Director
Michael O. Martin, Executive Director
Pierre Foy, Director of Sampling, Psychometrics, and Data Analysis
Victoria A.S. Centurino, Assistant Research Director, TIMSS Science
Kerry Cotter, Research Specialist, TIMSS Mathematics
Martin Hooper, Assistant Research Director, TIMSS and PIRLS Questionnaire Development and Policy Studies
Bethany Fishbein, Research Specialist, Instrument Development and Reporting
TIMSS 2019 Science and Mathematics Item Review Committee

The Science and Mathematics Item Review Committee (SMIRC), comprised of internationally recognized mathematics and science experts, reviewed and recommended updates for the TIMSS 2019 Mathematics and Science Frameworks. The SMIRC also reviews the TIMSS 2019 items at key points in the development process.
